

WHO WE ARE

▶ BACKGROUND

ASN Telecom has installed a future-ready, Fibre-To-The-Premise (FTTP) Network in your home that autonomously delivers:

- Wholesale Internet Capable of 1,000/1,000Mbps
- Telephone Services via VOIP
- Free-To-Air & Foxtel TV Signal
- Open Access Network (meaning you have a variety of choice when electing your internet provider)

♥ VALUES

In the 'Work From Home' era it's imperative that your home is equipped with a fast, reliable, affordable and secure internet service.

🎯 GET CONNECTED

ASN Telecom has delivered a Wholesale Fibre-To-The-Premise Network in your home.

To get connected, contact one of ASN Telecom's partnered Internet Service Providers (ISP) today.

TV & PAY-TV SERVICES

Free-To-Air TV Signal

Free-To-Air (FTA) TV is accessible on all TV Ports throughout your premise.

For any issues, please submit a fault to the following link and provide as much detail as possible:

www.asntelecom.com.au/tvfaulst

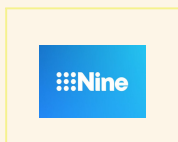

Pay-TV Signal (Foxtel)

Foxtel TV Signal is available on all TV Ports throughout your premise.

Before you can access this service you will need to order a Foxtel Service by calling Foxtel on:

1300 788 796 or visiting www.foxtel.com.au

Please contact Foxtel directly for all Pay-TV support.
